FOREWORD

With the "Fabulous fifties" as a passing milestone, man now faces the "Mysterious Sixties" in an atmosphere of confused optimism.

Will we conquer space? Will we win the battle for Africa, Latin America, and Asia? Will we solve the riddle of worthy-use-of-leisure-time? Will our economy withstand the test of ever-increasing world commitments? Will we achieve a lasting peace?

Similar, if less pressing, challenges have loomed in the horizons of youth from the beginnings of time. Too, each generation has marshalled an air of optimism worthy of the occasion.

In like manner, Palisades' '61 accepts an inheritance of sobering proportions. Knowledge, youth, and a zest for living are not the least of the credentials which they offer in accepting each challenge.

OPERATION ICE CUBE

The Squeezums

Warm-up oil plenty good stuff!

"Operation Ice Cube" by Bettye Knapp was a three act comedy taking place in an igloo near the north pole. Herbert Southgate, a scientist, had taken his family to the frozen north because he felt they were being spoiled by too much civilization. Mr. Southgate pursued his scientific research with Prof. Jones while he tried to adjust the others to primitive living. Mrs. Southgate and her daughter, Karen, were miserably homesick; but son, Andy, contented himself making popsicles. To teach them primitive life, Mr. Southgate invited an eskimo family to move in with them. The eskimos added some hilarious situations! Mid-way in the play the two Professors discovered a prehistoric man — preserved in ice for some 7,000 years. With the help of some eskimo warm-up oil, Mr. CC., the prehistoric creature, awakened from his long slumber. Soon Karen fell in love with Mr. CC., and Andy accidentally proposed to Kula, an eskimo girl.

At this point Mr. Southgate decided it was time to go home. However, no one else wanted to leave. Finally, Mr. CC ran away and Kula and her family left because they were angry with Andy. Just when everyone was ready to leave, Mr. Southgate decided to stay. In the closing minutes the others tied him to a sled and rushed off the stage shouting "Mush."!!!!

Herbert, I think it's time we all go home.

Clap-clap anyone?

Prof. Jones, you're not proposing, are you?

Mr. C. Mann, director

Love, eskimo style!

THE MOUSETRAP, a three-act drama by Agatha Christie, took place during winter in the Monkswell Manor in England. A murder committed in the area aroused everyone at the manor. When Mrs. Boyle was killed, the other tenants suspected each other. A so-called sergeant appeared on the scene to find the murderer. In the end, Major Metcalf, a secret investigator, solved the case, proving the sergeant to be the murderer. Throughout the play, the theme song was "Three Blind Mice."

CHRISTMAS

BALL

He said . . .

Eat, Drink and be Merry

Forty-three couples danced to the tunes sent forth by the "GEES" at the annual Christmas Ball held December 10. The cafeteria was adorned with snowflakes and tinsel. Branches were hung from the lights to give the room an out-of-doors atmosphere.

Two gaily decorated adjoining rooms were set aside for picture taking and the all important serving of refreshments. Six conscientious freshman girls served punch, chips, and a never ending array of tasty canapes.

JUNIOR-SENIOR PROM

May 21 was the climax to weeks of work and effort put forth by the Junior Class to produce "Sea Fantasy." A mermaid, sea shells, fish nets, boats and beach accessories made the theme really come to life.

The "Dukes" provided the musical entertainment. The crowning of the queen, Judy Melchoir, and her king, Bob Petchner, brought an end to a never-to-be-forgotten evening.

J. Zangli, Junior Class President, congratulates King and Queen.

1961 was a hectic year for the Palisdian staff. There were serious problems concerning photography, advisor changes, and "old man winter."

Yet, there were also memories of helpfulness, friendliness, and real teamwork, even when the going was rough.

1960-61 was a busy year for P.H.S. musicians. They participated in local parades at Coopersburg, Hellertown, Fountain Hill, Springtown, and Easton. In the Bucks County Firemen's Parade they walked off with a first prize.

Concerts were presented at the Tinicum Art Festival and at the Spring Musical in the High School.

Participation in the International Lion's Parade in Atlantic City was easily the twilighting event of the year.

The 1960-61 majorette corps consisted of seven regulars and three substitutes. Much credit for their success must be given to their coach, Mrs. E. Haywood, who worked very hard with the group. A new advisor, Mrs. G. Waterberry, was appointed late in the year. Some of the highlights for the season were performances at basketball games and special routines for the spring concert plus the usual parade assignments.

The Pirettes' hockey team kicked up 4 wins 3 losses, and 2 ties in their last season of Lower Bucks Competition. The J.V.'s closed their season with 2 wins, 2 ties, and 5 losses. D. Soska, a junior, led the team with eight goals for the season. The lasses showed much improvement — sporting a charging forward line and a mobile backfield. With the loss of only back-field members, Nancy Myer, Linda VanSant, and Linda Hulsizer, the teams prospects for next year seemed excellent.

The Pirates netted 5 wins, 6 losses, and 2 deadlocks in 1960 competition. Paced by senior Ken Garey, the booters finished fifth in their last Lower Bucks season. Ken drilled enemy lines with 13 goals to take top league scoring honors.

Wins came over Delhaas, Fountain Hill, Wilson Boro, New Hope, and Woodrow Wilson, but the Pirates bowed to North Penn, William Tennent, Pennsbury, Neshaminy, and Bethlehem (two games). The contests with Pennridge and Central Bucks ended as ties.

In 1960, the Pirates suffered a poor season; winning one and losing seven games. Dick Krotz, senior, was signed with the Los Angeles Dodgers. Other seniors wearing Purple and Gold for the last time were Bill Klotz and Bob Corsner.

Next year's team looks promising with the returning of six lettermen.

Out at first!

FACULTY SIGNATURES

An aerial photograph of a school campus. The main building is a large, multi-winged structure with a flat roof and numerous windows. To the left of the building is a large, curved, paved area that looks like a parking lot or a walkway. In the background, there are rolling hills, fields, and some smaller buildings, possibly farmhouses. The overall tone is sepia or aged. The text "WE'LL BE EVER" is printed in a bold, sans-serif font in the upper right quadrant.

WE'LL BE EVER

OUR HEARTS
WE WILL EVER

FAITHFUL AND TRUE;

NOW AND ALWAYS
PLEDGE TO YOU!
